Subject: 7612-60th/1st Tuesday evening visit
Attachments: attachment 1.pdf; ATT00001.htm

Hi Laney and Timi,

Please find AVPs report from tonight's visit.
Pmi was also onsite to complete the two things pointed out.

Over the weekend I was also informed that the store is leaving the Raid, a store bought chemical out. This is not a Starbucks approved product, at the very least let's make sure we conceal it. Rami- thoughts?

I'll be by in the morning with Jasmine.
